

PRESS RELEASE

WRESTLE 4 RELIEF III Autism Awareness

The Council Rock South Wrestling Booster Club is again joining forces with Team Apache Wrestling Club, PAWF (Pennsylvania Amateur Wrestling Federation) and Council Rock School District to proudly present WRESTLE 4 RELIEF III on Sunday, October 14th, 2007. This charity fundraiser will take place at Council Rock South High School in Holland, PA. We are happy to announce that the charity for 2007 will be Autism Awareness. We will be raffling off items in an effort to raise money for this great cause. Concessions will also be available.

Our inaugural "Wrestle 4 Relief" event in October of 2005 was a huge success and raised \$5,600 for the Red Cross in support of the Hurricane Katrina relief effort. We followed that up in 2006 with "Wrestle 4 Relief II" and donated over \$4,500 to Alex's Lemonade Stand Foundation to help fight childhood cancer.

"I know that this may sound like a cliché, but this wrestling community is indeed a family! This community transcends sports and competition. The true goodness of people and all that is right with the sport of wrestling and these kids was on full display at both Wrestle for Relief events as hundreds of wrestlers, coaches, parents and fans competed and donated their time and effort, all in the name of charity." said Brad Silimperi, Club Director of Team Apache and Head Wrestling Coach at Council Rock South High School. "I can tell you that the wrestling community is one that I am proud to be a part of." Coach Silimperi continues "We are extremely excited about WRESTLE 4 RELIEF III and having a great charity like Autism Awareness being a part of the event. It is also the chosen charity for the Council Rock School District for 2007-2008 and a great opportunity for the wrestling community to help make a difference."
